# Dedication

We wish to dedicate Hi-Lights "62" to Mr. Harold Neddo. In the past six years he has proven beyond any doubt his loyalty and devotion to our school. At all times he has been a willing guide and inspiration to the students under him. He is always willing to chaperone or help on student projects. His time is his student's time. He came to HLCS the same year the class of "62" entered the 7th grade and we learned the "ropes" of HLCS together. We hope that for many years to come that the students here will have this able and dedicated person to guide them throughout their junior high years.

# Appreciation

We, the Class of '62, take profound pride in expressing our appreciation to our loving parents whose wise counsel, loyalty and unwavering devotion exemplify the finest qualities of parenthood.

## The Public Schools of Warren County

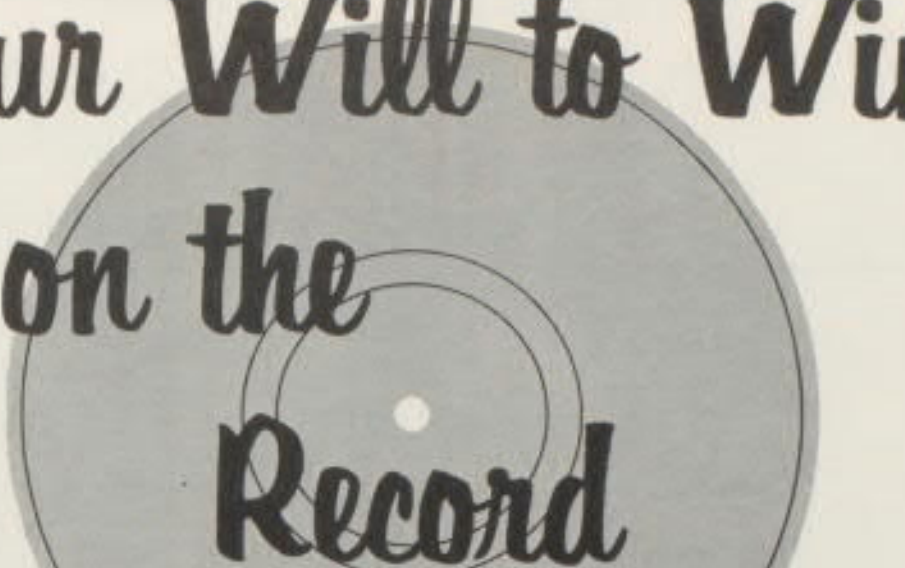

That our Vocational School be located centrally in the county.  
 That our Vocational Schools be expanded to other fields,  
 That all the Schools of Warren County have the opportunity to  
 participate in the program.  
 That all the Boys and Girls in our area be developed to their fullest  
 potential, anything less is a loss to this Country.

I DEDICATE MYSELF

# Your Will to Win is on the Record

You have graduated from high school. For the record, you have demonstrated a will to win. Congratulations! Your future can be bright. Only you can determine which path your career will follow. Choose it carefully.

The Glens Falls Insurance Company, too, is proud of its record of growth stability, and success. From the Home Office in Glens Falls have sprung branch offices across the United States and Canada doing business throughout the free world.

Last year over one hundred million dollars was paid out by the Glens Falls Group in settlement of claims, for salaries, commissions, and dividends. Twenty-three hundred salaried employees, seven thousand agents, and fifty-eight hundred stockholders are truly the Glens Falls family.

The community has prospered and grown with the Glens Falls — in no small measure because of the men, money, and imagination of the Glens Falls Group.

The continued growth of the individual, the community, and the Glens Falls Group is based on our faith in the future and the will to win.

## THE PURSUIT OF EXCELLENCE

HONOR SOCIETY CHAPTERS - Seated are charter members of the Hadley-Luzerne Honor Society. Left to right: Stuart Townsend, Kenneth Hill, Linda Peters, Linda Winslow, Brenda Hill and Betty Brannon. Standing are members of the Corinth Chapter of the Honor Society and advisors. Left to right: Vera Gilbert, Mrs. Beatrice Rozelle (advisor), Mary Ann Oetken, Paul Hickey, John Manley, Art Ticknor, Mrs. Marion Jenkins (advisor), Janet Elliott and Sten Caspersson.

Membership in an Honor Society is a signal mark of exceptional achievement on a relative basis. Whether it be Honor Society members, or other students who do not qualify, only by refusing to accept mediocrity and by dedicating ourselves to the "pursuit of excellence" can we obtain the leadership so vital to our American way of life.
